

Reviewing Questions

UNEARTHED

EXPLORE

VIRGINIA +
WASHINGTON, D.C.

Here are a series of questions to prepare for the event. You can use these questions to help the teams explain their journeys, what they learned and created.

Challenge Solution

- What did your team learn about the archaeology?
- What clues do archaeologists use to discover how people lived in the past?
- How do they use tools or technology to learn about people from the past?

Core Values

- What was the best thing about being on a team?
What was the hardest part about working on a team?
- What skills did you learn from each other?
- How did each member contribute to the Team Model?
Team Poster?

Team Model

- Can you describe your team model?
- How did you include your Explore Set (Dig Site & Radar Car) in your team model?
- What did your team build or add to your Team Model?

Coding

- What part of your build is motorized?
- How did you code your motorized part?
Tell me more each step of your coding.

Team Poster

- What did you include in your team poster?
- How does it show your team journey?
